

**NOTICE OF AVAILABLE FULL-TIME POSITION  
JOB REQUIREMENT PROFILE**

**Posting Date** Saturday, April 16, 2011

**Closing Date** Open Until Filled

**Job Title** **Systems Engineer**

**Division** Finance

**General Scope of Position** This position is responsible for developing, maintaining and/or supporting major business applications and functions (i.e. Time & Attendance, POS and Ticketing Systems, etc.). Install, upgrade and support servers and local area network.

**Job Responsibilities**

- Develop, maintain and/or support major business applications and functions including, but not limited to, Time & Attendance, POS & Ticketing System(s), Business Reporting System(s), and Messaging.
- Design, implement, monitor, and support database(s) in a Microsoft SQL Server environment.
- Design, develop and support applications in a Microsoft Studio.Net environment.
- Install, upgrade, and support servers.
- Insure integrity of database backups.
- Design, install, upgrade, and support local area network.
- Prepare and maintain technical and/or user documentation.
- Work directly with users to resolve problems, answer questions and, in certain cases, conduct training.
- Other duties as assigned.

**Minimum Requirements**

- Bachelor's degree in Computer Science or other relevant field, supplemented by related and current technical training and a minimum of three to five years of related experience.
- Theme park experience preferred.
- Must have excellent verbal and written communication skills.
- Available to work weekends, evenings and holidays during the operating season.
- Position requires occasional travel.

Interested applicants should email resume along with salary history to [jobs@kingsdominion.com](mailto:jobs@kingsdominion.com) or fax to 804-876-5579. Resumes may also be mailed to the Kings Dominion Human Resources Office, PO Box 2000, Doswell, VA 23047.

**An Equal Opportunity Employer**
